and COBRA Continuants

About This Guide

This guide provides a high-level overview of benefits available to you for 2021; open enrollment is **September 28 - October 23, 2020**. For complete information, visit etf.wi.gov/benefits-by-employer

Your Enrollment Checklist

I'm happy with my benefits

- Review changes for next year**
Each year there are changes to your benefits. Make sure that your plan is still available in your area.
 - You do not need to re-enroll in health, dental, or vision insurance each year if you want to keep the same coverage you have now. Double check that your providers are still available.
 - Every year, you *do* need to re-enroll for other options, such as an FSA, if offered by your employer.

- Make sure your doctors are still covered**

Go to our website to see the provider directory for your health plan.

If you are not changing health coverage, no action is needed.

I'd like to make a change or I'm new

- Follow the steps in this guide**
This guide was designed for you. There are steps and guidance throughout.

Are you a retiree with Medicare and non-Medicare members on your health insurance?

Pick the Medicare health plan first.

- If Medicare Advantage or Medicare Plus is selected, then pick a second plan for your non-Medicare members.
- If Health Plan Medicare is selected, your non-Medicare members will have the same health plan, just the non-Medicare version.

- Enroll**

Employees: Contact your payroll/benefits office.

Retirees: Complete a paper application or go to our website to learn how to enroll.

Questions?

Employees: Contact your payroll/benefits office.

Retirees: Contact ETF at 1-877-533-5020.

What's Changing in 2021

Health Plans

Changes can happen each year. Use the health plan search on our website to find health plans and covered providers where you receive care.

Service Area Changes

The State Maintenance Plan (SMP) will no longer be available in the following county: Forest.

SMP will be offered in the following counties: Buffalo, Crawford, Florence, Jackson, La Crosse, Monroe, Pepin, Pierce, Polk, Rusk, St. Croix, and Trempealeau. Make sure your providers are in-network or select another plan.

Wellness

New "Health Check" Activities

All non-Medicare Advantage members have more options to complete your "health check" activity, including a routine dental exam or a health coaching call, to earn your \$150 Well Wisconsin incentive in 2021.

Health Plan-Offered Wellness Incentives

Effective January 1, 2021, UnitedHealthcare is the only health plan that may offer financial wellness incentives to members. All other members are encouraged to participate in Well Wisconsin, administered by StayWell, to earn the \$150 wellness incentive.

Silver Sneakers will still be available to Medicare Plus and Medicare Advantage members.

Supplemental Insurance

New Benefit Options

If your employer opts in, you may be eligible for two new supplemental benefits effective January 1, 2021:

- Accident Plan – available to active local employees.
- Vision – available to active local employees and retirees.

New Vision Administrator

DeltaVision, in partnership with EyeMed Vision Care, is the new administrator for the supplemental vision benefit. See page 21 for more details.

New Medical Benefit

Biofeedback for urinary incontinence will now be covered.

Electronic Pharmacy Enhancements

Navitus, the Pharmacy Benefit Manager, will launch the new eHealth Program for electronic prescribing, electronic prior authorization, and pharmacy benefit check. This new tool accesses your pharmacy benefit information at the site of care, helping to ensure your prescriptions are cost-effective and integrate with your current drug regimen. Your doctor can also submit electronic prescriptions and electronic prior authorizations, helping you to get the medications you need faster.

Your health plan provider will cover diagnostic and antibody testing received from an in-network provider. Cost sharing may apply. Some plans may cover out-of-network testing. Contact your plan for details.

Vaccine Coverage

Should a COVID-19 vaccine become available during the 2021 plan year, the vaccine will be covered by your health plan.

Health Plan Quality

Each year, participating health plans are evaluated on key care delivery areas, such as wellness, prevention, disease management, customer satisfaction, and efficient use of resources. Participating health plans report health care quality outcomes to leading national organizations, such as the National Committee for Quality Assurance (NCQA) and the Centers for Medicare & Medicaid Services (CMS). Visit etf.wi.gov for more information about health plan quality. You can use these quality resources to help make an informed decision about which health plan is right for you.

For all participants

Step 3: Consider Supplemental Benefits

You may be eligible for even more coverage if your employer chooses to offer dental, vision, and/or accident insurance.

Retirees are eligible for dental and vision insurance.

Dental Insurance

Step 1: Sign up for basic coverage

Get covered for basic procedures such as cleanings, fluoride treatment, fillings and orthodontia

Uniform Dental

Available to those **enrolled** in health insurance under the State of Wisconsin Group Health Insurance Program

or

Delta Dental PPO Plus Premier™ – Preventive Plan

Only available to those **not enrolled** in health insurance through the program

+

Step 2: Add more coverage if needed

Get covered for items such as crowns, bridges, dentures, implants and root canals

Delta Dental PPO™ - Select Plan

or

Delta Dental PPO Plus Premier™ - Select Plus Plan

Things to Note

- Uniform Dental coverage mirrors your health insurance coverage. Example: If you elect family health insurance with dental, you will be enrolled in family dental coverage.
- Enrollment continues each year unless you cancel during the open enrollment period.
- Make sure your dentist is covered. The Select Plan has fewer in-network dentists than the Select Plus, Uniform Dental and Preventive plans.
