Harvest Requirements:

- Sale is being sold on a Ticket Scale Basis
- Sale boundaries consist of roads, trails, red paint line, blue paint line, or a noticeable change in timber type.
- In both units, leave all purple marked trees and all conifer EXCEPT merchantable balsam fir.
- In both units, harvest all merchantable hardwood EXCEPT purple marked trees.
- In both units, sever all hardwood stems 2" in diameter and greater EXCEPT oak stems. Leave all non merchantable oak in sale area.
- Sale boundaries consist of roads, trails, red paint line, blue paint line, or a noticeable change in timber type.
- The blue paint line indicates private property. No equipment or felled trees may cross the line.
- The sale borders the Raspberry River Hiking Trail in two locations. No equipment or slash allowed on trail unless authorized by Bayfield County. No slash will be allowed within 25 feet of the trail.
- Sale will be restricted to frozen or dry ground as determined by Bayfield County.
- Do not cut snags except for those that pose a safety hazard.
- To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
- Decking of wood along town roads will not be allowed without permission from Bayfield County.
- If harvest will utilize the whole tree, 1 in 10 tops must be left scattered throughout the sale.
- This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure.
