Species	Cords																	
Aspen	542																	
Mixed Hardwood*	303																	
Scrub Oak	69																	
Jack Pine	104																	
Red Pine**	56																	
Acres: 61	Township: Hughes																	
Soil: Loamy Sand	Compartment: 133	Stand: 2,28																
Topography: Gently Rolling, Moderate Slopes	Tract Number: 21-17	Reforestation Code: Plant PJ																
Scale: 4"=1mile	Contract Number:																	

Harvest Requirements:

- Sale is a clearcut being sold on a ticket scale basis.
- Sale boundaries consist of red paint line and a trail. There is no paint line between units.
- In both units, leave all unmarked red and white pine and all purple marked hardwood species.
- In both units, harvest all purple marked red and white pine, all jack pine, and all unmarked hardwood stems 2" and greater.
- Harvested pine cannot be kept on the Bayfield County Forest for more than three weeks from May 1st to August 31st.
- Do not cut snags except for those that pose a safety hazard.
- Whole tree harvesting and/or utilization of tops less than 4" diameter will not be allowed.
- This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure.
- To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
- Decking of wood along town roads will not be allowed without permission from Bayfield County.
