- Harvest Requirements:**
- Sale is an aspen clearcut and pine thinning being sold on a Ticket Scale Basis
 - Sale boundaries include: blue paint line and red line
 - Prescription: Aspen Clearcut - Harvest all merchantable hardwood not painted with orange paint. Harvest all orange painted conifers. Prescription of purple painted hardwood is explained below.
 - There are purple painted trees within the sale that need to be paid attention to. There are 4 trees painted with purple paint (grouse trees) that are ringed at 5 ft with a large purple painted X on both sides of the tree below the purple paint ring. These 4 trees need to be cut above the 5 ft purple ring and the cut portion should lie on the ground as close to the high stump as possible.
 - Prescription: Red Pine Thinning – Harvest all merchantable hardwood stems. Harvest all orange painted conifers
 - In both units sever all non-merchantable hardwood stems 2" at dbh and greater.
 - Do not cut snags except for individuals that pose a safety hazard.
 - Grouse Trees: As noted above the sale includes 4 trees that are painted with a purple X. These trees will create ruffed grouse drumming habitat.
 - The blue line indicates private property. No equipment or felled trees may cross the line
 - The map is not a survey of the actual boundary of any property this map depicts.
 - To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
 - Do not damage any survey monuments.
 - This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure.
