Harvest Requirements:

- Sale is an aspen clearcut being sold on a ticket scale basis.
- Sale boundaries consist of red paint line, County Hwy A, trails or abrupt timber type changes to mature red pine or young jack pine.
- Harvest all hardwood stems and jack pine. Sever all non-merchantable hardwood stems 2" in diameter and greater.
- Leave all conifer except jack pine.
- All roads, new and existing, used for this timber sale must be constructed or improved to shed and drain water (crowned and ditched) away from road surfaces, per the Wisconsin BMPs for Water Quality, to the satisfaction of the County.
- Do not cut snags except for those that pose a safety hazard.
- Whole tree harvesting and/or utilization of tops less than 4" diameter will not be allowed.
- This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure.
- To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
- Decking of wood along town roads will not be allowed without permission from Bayfield County.
