TRACT 51-22 – HARVEST REQUIREMENTS

The following terms and conditions supplement those provided in the Bayfield County Timber Sale Contract.

A. PRESCRIPTION:

- A. Unit 1 & 2 - Thinning. The designated harvest area will have a thinning to reduce the stand basal area to 88 ft²/acre.

B. HARVEST REQUIREMENTS

- **Thinning** - Cut all trees marked with orange paint
 - Avoid residual damage to any unmarked trees.
 - Leave any standing dead snags that do not pose a safety hazard.

C. OPERATIONAL REQUIREMENTS and SEASONAL RESTRICTIONS:

- Sale boundaries are marked with red paint lines as indicated on map. Lost Lake Rd will serve as a boundary where it runs along unit 1. The change in cover type along the north side of unit 2 will be the boundary.
- This stand can be harvested year-round.
- Sale can be whole tree harvested.
- Harvested pine may not be kept on the Bayfield County Forest for more than three weeks from May 1st to August 31st.
- During winter harvesting the snowmobile trail must be kept unobstructed and in a packed snow condition. The purchaser must ensure that harvesting and hauling operations will not create a safety hazard to snowmobiles. Avoid damage to signs and trail markers.

D. ACCESS AND ROADS:

- This contract requires County authorization for all road/landing construction and places other requirements on road construction and closure.
- Decking of wood along town roads will not be allowed without permission from Bayfield County.

E. OTHER:

1. To comply with Best Management Practices for Invasive Species: Prior to moving equipment onto or off the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
2. Utilization specification is to a 4" top. However, if the County determines that pulpwood markets continue to be very poor at the time of harvest the County will sign a contract amendment with the purchaser changing the utilization specification to a 5" top for selected species. When determining condition of the market, the County will pay attention to the amount of wood being purchased by the mills in Wisconsin Rapids and any other significant shifts in wood demand.
3. Do not damage any survey monumentation.
