

# Bayfield County Health Department

## Targeted Well Water Study

The Bayfield County Health Department is teaming up with the University of Wisconsin-Stevens Point Center for Watershed Science and Education to offer residents of **Eileen, Mason, Kelly, Keystone, Pilsen, Lincoln, and Barksdale** a chance to participate in a targeted study designed to gather water quality baseline information in selected wells.

**Once selected, homeowners will receive a fully funded testing kit** that includes the Basic Homeowners Package and Metals Package, as well as further instructions on what participation of the study entails.

### Interested?

- Register by August 14th, 2015 by calling the Bayfield County Health Department at 715-373-6109 ext. 279 or e-mailing [mdale@bayfieldcounty.org](mailto:mdale@bayfieldcounty.org)
- Individuals who have children under the age of 5 are eligible for a fee-exempt testing kit. Please contact the Health Department as well.
- Those not chosen to participate in the study may choose to pay for water testing at a cost of \$49 for the Basic Homeowners Package and \$45 for the Metals Package.
- Please visit [www.bayfieldcounty.org](http://www.bayfieldcounty.org) to learn more!
