Dear Bayfield County Resident or Property Owner:

We seek your input and invite you to participate in a Bayfield County budget planning survey for the 2017 year, beginning January 1, 2017.

The annual budget is one of the most important efforts of the county. It is the plan for the coming year and determines how county tax dollars are spent.

This online survey (**click on link below**) will take just a few minutes. The results of the survey will be tabulated and shared with the county board at the upcoming budget planning session. Your survey responses are completely anonymous. **Please complete this survey by Monday, May 9, 2016.**

Thank you!
