 † Birch Pulp= Apprx. 61% white birch, 39% yellow birch

Harvest Requirements:

- This 68-acre sale is a coppice with reserves being sold on a Ticket Scale Basis.
- Sale operations may only occur when the ground is frozen.
- The sale's access will utilize a portion of Snowmobile Trail #31. The trail must be kept unobstructed and in a packed-snow condition. The purchaser must ensure that harvesting and hauling operations do not create a safety hazard to snowmobilers.
- Bayfield County has secured access through private parcels adjacent to the sale (on 1/12/22) and gates at 43 Road and Ole Lake Road.
- Sale boundaries are formed by red line and by blue line when against private property. No equipment or felled trees may cross the blue line.
- **Prescription:** Cut all stems >2 inches in diameter. Except, do not cut conifers, green painted trees, or yellow birch < 8 inches DBH.
- Do not cut snags except for those that pose a safety hazard.
- To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
- Decking of wood along town roads will not be allowed without permission from Bayfield County.
- If harvest will utilize the whole tree, 1 in 10 tops must be left scattered throughout the sale.
- This contract requires County authorization for all road/landing construction and places several other requirements on road construction and closure.
